Hey Fran

When trying to save file from email to upload to site, apparently I do not have the current version of powerpoint and risk changing or losing the translations. I need to check with IT on this and it may take a bit.

Can you go ahead and upload Spanish version to Eastman in the folder with English version and talking points?

Thanks!

**Subject:** RUSH request for translation of Eastman Chemical power point presentation

Hi Jennah

I just received the final power point presentation from ARD that needs to be translated by OCR into Spanish only.

Thanks for assisting on forwarding this to ORC. Attached is the Translation Request form received from Janie and the Eastman Chemical presentation. I have completed the highlighted areas as requested by Janie and am not sure if you need to sign the actual request form.

As mentioned in our call and instructed by Janie, as Acting for Jeff, please annotate in your email that you approve of the RUSH request as Acting. Janie has already informed Waleska that this presentation will be sent today and it's a RUSH request.

According to Janie, it will need to be sent to the following emails [Robinson.Brittany@epa.gov](mailto:Robinson.Brittany@epa.gov) [Language\\_Services\\_Contracts\\_Request@epa.gov](mailto:Language_Services_Contracts_Request@epa.gov) [Nieves-Munoz.Waleska@epa.gov](mailto:Nieves-Munoz.Waleska@epa.gov)  
On behalf of Janie

Thanks! If you have any questions, let me know.
